

# I Survived.

Knowing my risk for **COLON CANCER**, I made sure to schedule regular screenings. When the physicians at Midwest Center for Hematology/Oncology treated early signs of colorectal cancer, I'm glad I did. State-of-the-art treatments from physicians who understand our needs and compassionate care helped me beat the odds. Visit the website or call for a consultation today.

Midwest Center for  
**Hematology/Oncology, SC**  
*Cancer Care with Compassion.*
